

SCRIP Gift Card Program

Optional Online Services

PrestoPay plus ScripNow!, Scrip Reload, and MyScripWallet

While many of our families prefer to come to Panera each week to buy their scrip gift cards, there is an alternate way to make purchases on-line and have the proceeds credited to your family account electronically.

Presto Pay is a payment method similar to PayPal that is tied to your checking account. It allows you to make on-line purchases. There is a one-time sign-up process which may take a couple of days to complete. Steps for online activation are on the next page.

Please note that PrestoPay is a way to ORDER cards. Your order will be delivered to our coordinator, who will contact you when they arrive. Due to high shipping costs, orders are not guaranteed to arrive the Thursday after order submission. For faster service, please use MyScrip Wallet.

Once your bank account is connected...

Note** VISA / MasterCard payments are now an online option. A 2.6% fee will be added to defray processing costs.

ScripNow! offers families the option to make on-line scrip certificate purchases which are deducted directly from your checking account. You can print your scrip certificate within approximately 15 minutes. There is a .15 cent transaction fee per order total.

Scrip Reload is tied to your checking account. To reload a gift card via Scrip Reload, the card must have been purchased through our "scrip" originally.

To participate with **MyScrip Wallet** you'll need a smart phone. This mobile website is an ordering tool for ScripNow eCards and Reload cards. This allows you to use your smart phone for scanning at the register in select stores.

Benefits of on-line scrip purchases:

- ☐ If you miss the Thursday sale you can get your items.
- ☐ You can purchase items that we typically don't stock.
- ☐ Your purchase can be in the exact amount that you desire.
- ☐ Family or friends who live out of town can make on-line purchases on your family's behalf.
- ☐ There are currently over 275 vendors offering ScripNow! with more joining every day.
- ☐ ScripNow! retailers offer bonus incentives for on-line purchases.

Possible **downside** of on-line scrip purchases:

- ☐ Not all vendors offer electronic purchases.
- ☐ Scrip Gift Cards that we purchase locally for our program are not available for e-purchase. Examples: Culvers, Mancino's & Meijer's.*
- ☐ Scrip Reload cards need to have been originally purchased through our Great Lakes Scrip Program.

*Meijer's is now available through ScripNow but at the lesser reimbursement of 3%
